IN MEMORY OF A PARENT
I remember you in this solemn hour, my dear parent. I remember the days when you dwelled on earth, and your tender love watched over me like a guardian angel. You have gone from me, but the bond which unites our souls can never be severed; your image lives within my heart. May our merciful God reward you for the faithfulness and kindness you have shown me; may the light of God’s face shine upon yours and grant you eternal peace! Amen.

IN MEMORY OF A SPOUSE
I remember you in this solemn hour, my dear companion of my life. I remember the days we lived together; I remember your tender affection and self-denial while hand-in-hand we trod the path of our wedded life, when your love and fidelity were my comfort, and your counsel and aid were my support. Though death has summoned you from my side, your image still lives in my heart and continues to be an inspiration to me. May God give you bliss eternal! Amen.

IN MEMORY OF A CHILD
I remember you in this solemn hour, my beloved child. I remember the days when I watched your bodily and mental unfolding, and fostered beautiful hopes for your future. God has taken you from me, yet in my heart the fond remembrance of you can never die. May God look with compassion upon you and grant you eternal bliss. Amen.

IN MEMORY OF A BROTHER, SISTER OR FRIEND
I remember you in this solemn hour. I remember the days when we lived together in happy companionship and your loving friendship was my delight and support. Though you have gone from me, your image abides with me. I think of you with gratitude and bless your memory for all the devotion you showed me. May God bless you with everlasting joy. May God watch over you. Amen.

H. Edward Pirtle
Harold Mark
It is hard to sing of oneness when our world is not complete, when those who once brought wholeness to our life have gone, and naught but memory can fill the emptiness their passing leaves behind.

But memory can tell us only what we were, in company with those we loved; it cannot help us find what each of us, alone, must now become.
