TBE HOSTS CAREGIVER CONVERSATIONS IN JULY

Caring for an aging family member, friend, or loved one comes with its own challenges. Whether you are caring for someone with physical, mental, or cognitive concerns (or a combination of the three), it is important to remember the importance of taking care of yourself, so you can be the best caregiver possible. If you are caring for someone aged 60+, we invite you to join us for this month's Caregiver Conversations group, hosted at TBE in July, and facilitated by a Licensed JFS Social Worker.

This community based group is hosted monthly at one of five different community locations, and we hope you will join us to build your support network! Please contact JFS to RSVP (734-769-0209).
