

# TEMPLE BETH EMETH COMMUNITY PROGRAMMING AMID COVID-19

Temple Beth Emeth has put this programming list together amid the COVID-19 outbreak in the Greater Ann Arbor region to ensure the TBE community has opportunities to connect with each other and our clergy. It is as important as ever to make time to engage with ourselves and others spiritually and emotionally during this time of communal anxiety. Please call the TBE office, 734-665-4744, or email [Rabbi Whinston](#) or [Cantor Hayut](#) with questions. Please continue to check the TBE [website](#) and TBE's weekly announcements for updates and any changes to this schedule.
