

TBE PROGRAMMING AMID COVID-19

Temple Beth Emeth has put this programming list together amid the COVID-19 outbreak in the Greater Ann Arbor region to ensure the TBE community has opportunities to connect with each other and our clergy. It is as important as ever to make time to engage with ourselves and others spiritually and emotionally during this time of communal anxiety. Call the TBE office, 734-665-4744, and continue to check the [TBE website](#) and TBE's weekly announcements for updates and changes to this schedule.

Please note: As of Friday, April 3, all TBE services (including Tot Shabbat Services, Friday Shabbat Services, and Saturday Shabbat Services) will be held primarily on Zoom, but will still live-stream from the TBE website and Rabbi Whinston's Facebook.
